The setting

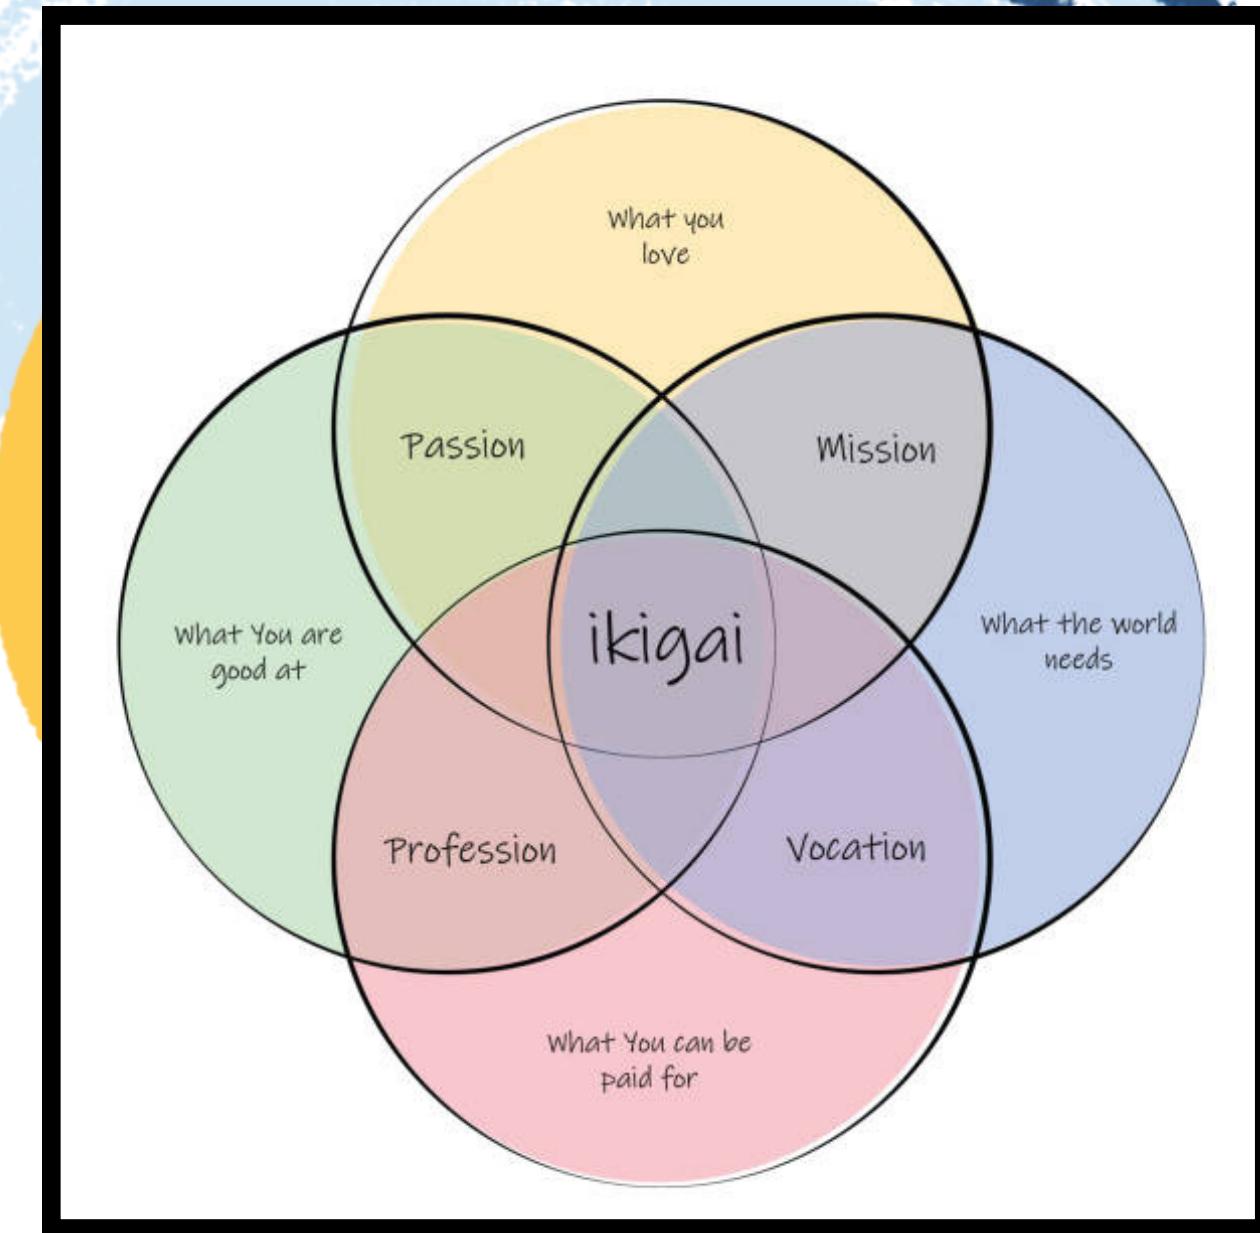

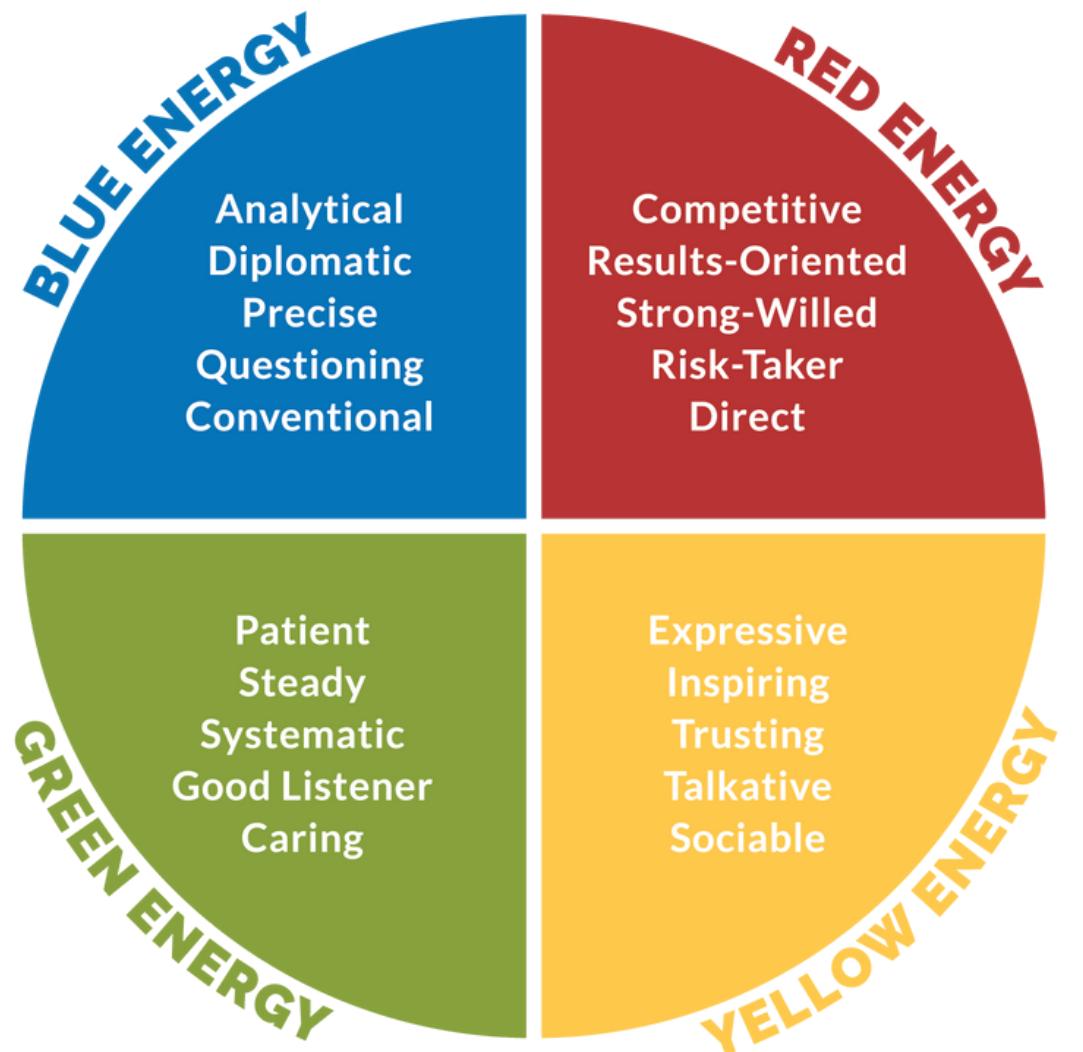

what to expect

- 1) 3 Steps
- 2) Recap
- 3) Ask me anything
 - + Personal anecdotes
 - + Time for you to reflect

Step 1

What Do YOU Want?

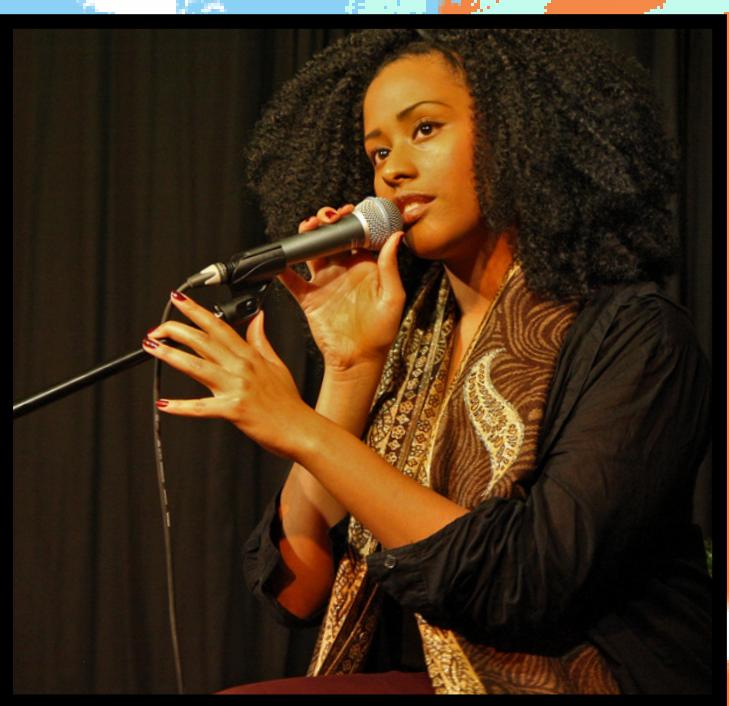

Different people want different things
Don't waste your time following someone else's dreams

One big dream or smaller micro-missions?

step 2

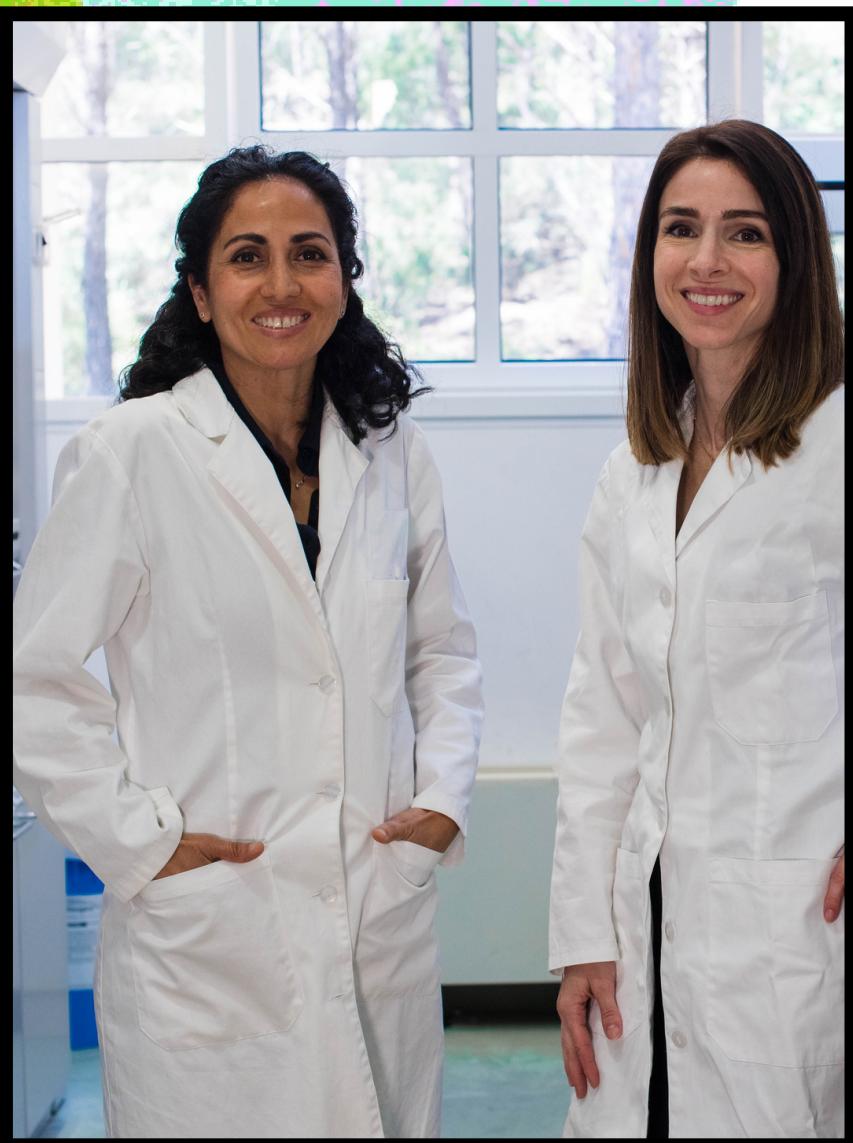

How did other people get it?

Stakeholder Map

Find out the steps they took. Copy them.

Say yes to the big bets
Say no to the small bets

step 3

Speak up!

**Highlight how your skills and interests
might benefit them + their work.**

Play the long game

All good things happen naturally

ok.

Recap

Know what you want

And make it useful

Get inspired by others

And find out exactly
what steps they took to
get there. Imitate!

Speak up!

Tell the world how you
can help and the world
will conspire to help you!

but.

**what really
matters**

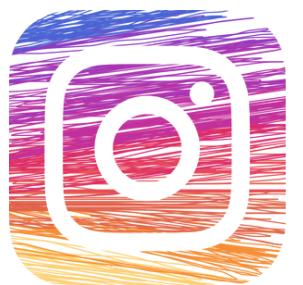

Peace

Lil glimmers

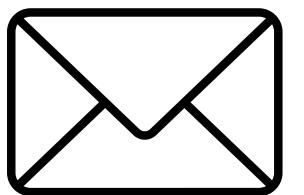

Contentedness

'Happy' is unrealistic
